

# Anyone Can Build Pre-Accelerator Program

Supporting CaLD Women Founders in Queensland

## About The Creative Co-operative

The Creative Co-operative (TCCO) is a social enterprise powered by and for Bla(c)k Women and Women of Colour (BWOC). We run programs that advance the economic power of Bla(c)k Women and Women of Colour through innovation, digital inclusion, and business support across Australia.

**Our goal:** Support Queensland female founders in innovative businesses, such as startups [1] and scaleups with high-growth potential, and assist them in taking their IDEs [2] to the next stage, creating connections, and accessing opportunities that will continue to provide impact for founders and their businesses.

## The Program

Anyone Can Build is a 13-week pre-accelerator program designed to empower CALD women founders in Queensland to start a business.

### Format:

- 13 weeks, delivered remotely
